

**CHRIST FOR ALL**  
MINISTRY

**MARCH 2022**

LOVING GOD through serving people.

Therefore encourage one another and build one another up, just as you are doing.

1 Thessalonians 5:11

**A message from the Chairman.** Back in the day, lists were all about pen and paper. Now we live in the computer and smartphone era, which makes it to easy to connect with people. Many of us connect online with each other through internet. But somehow, there are people living in the world who do not have the access to computers or smartphones and the internet. This is why we are trying to reach God's people and meet them in person to listen their challenges. We are committed to bring them the message of God to reconcile them with God. Therefore, I am so thankful for your continued support of our ministry. Please continue pray to us.

### Mobile Sunday School

Through our Mobile Sunday School our team has been able to reach more people and get to know more Christian families. We were also able to provide 30 children with haircuts during one of our visits.

Thanks to Mr. and Mrs. Shahid who volunteered their service and gave of their precious time.

### Our Sunday School program

Through our Sunday School program we have been able to reach many children, one of whom is Sonia, a young Muslim girl. Sonia is from Kot Radh Kishan and has been attending our Mobile Sunday School at No. 22 Brick Kiln where she has been studying every Sunday with many other children and eagerly wants to learn about God and His creation. Praise be to God!!

**Bible Distribution Program**

We are so thankful for the help of Mr. Shahid and Mrs. Rifat Shahid, a husband and wife who own a hair salon. Mr. and Mrs. Shahid voluntarily offered their services, free of charge, to help the children being reached by our Mobile Sunday School. This is a wonderful gift to bring as we work to reconcile people with God.

Our Bible project is on hold as shortage of Bibles because the Bibles are not being shipped from Korea due to Covid19 restrictions. We request to you to continue to pray for us to find the way to provide more Bibles to the people.

**Visiting Brick Kiln Brothers and Sisters**

We continue to visit our brothers and sisters in the Brick Kiln areas of Punjab province to learn how we can help in the short and long term. We have received many requests to support them with food, Sunday School programs and helping their children learn life skills that can help them leave the Brick Kilns. These families work every day, including their children so they do not have opportunities to learn new skills. They cannot travel so we decided to reach them, with our Mobile Sunday School and teach them about Christ and help them develop life skills that they can use. We would like to ask you for prayer and support as we serve the Brick Kiln communities.

**Food distribution** Due to short of funds last year we were unable to support food and groceries as per scheduled. We are hoping continue to help as long as we have funds available. Please prayers for us.
