

CHRIST FOR ALL
MINISTRY

SEPTEMBER 2021

LOVING GOD through serving people.

I can do all this through him who gives me strength.

Philippians 4:13

A message from the Chairman

Dear brothers and sisters, I am very thankful to God for this ministry and the ongoing support for our projects. We are glad that we can help change the lives of people in Pakistan, but this could not have happened without God's support. "Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows." James 1:17.

Sunday School Our Sunday School program is going great, as we are growing more Christian brothers and sisters ask us to help them learn about the Lord, so we started a new Sunday School in Kasur. Our team in Pakistan arranged a meeting with the parents as seen in the picture below. While we help prepare the next generation to be leaders and evangelists ahead of them, we do need more support and prayers because we cannot do this without our brothers and sister..

Parents Meeting This is a very important part of our ministry where we talk to the parents about their lives and their children's lives. This is an important step for our team to learn how active the parents and children are in learning about their faith.

Women's Bible Study Group

Recently we started a women's Bible study group in Kasur district. Most of the women work in the brickkilns. Our goal with the women's ministry is to see growth through small groups and individual experience by the transforming power of Christ through the truth and beauty of His Word.

Mobile Sunday School Opening

We are excited to start our Mobile Sunday School Program, with the goal of reaching an number of the Brick kiln communities on a regular basis. The parents were happy that their children were finally going to learn about their actual faith.

Bible Distribution Program

We are so thankful to God as we were able to buy some more Bibles during Covid19. We distributed 20 Bibles among the women in Brick Kiln No 22 and they were overjoyed to receive The Holy Bible, and had tears of joy in their eyes. Praise God for the precious gift of His Word

This motivated us even more to reach our goal of donating 1000 Bibles in Pakistan by 2023 because **"faith comes from hearing, and hearing through the word of Christ."**
Romans 10:17.

Visiting Brick kiln Brothers and Sisters

We continue to visit our brothers and sisters in the Brick Kiln areas of Punjab province to learn how we can help in the short and long term. We have received many requests to support them with food, Sunday School programs and helping their children learn life skills that can help them leave the Brick Kilns. These families work every day, including their children so they do not have opportunities to learn new skills. They cannot travel so we decided to reach them, with our Mobile Sunday School and teach them about Christ and help them develop life skills that they can use. We would like to ask you for prayer and support as we serve the Brick Kiln communities.

Food distribution Due to Covid19 many families lost their jobs and searching for new jobs. While they are waiting for help , support, and prayers, we are committed to helping our brothers and sisters in need.
